Equipment : Compass, pen, Clue, Good shoes, comfortable clothes, 20 \$ (can be found during the tour) good mood, victuals, good conditions, Digicam (optionally, or pencil and paper),

Terrain : up to ***** in places steep inclines, stony paths

Level: **** (middle - difficult)

Length : ca. 3,5 hrs. round about 7 km

CLUE

The way is marked on the pictures. Always follow the arrows. Keep your direction until you reach the next shown place. An exception is a double-labeling. (shown with two arrows.). The 2nd mark counts for the next diversion in the shown direction, which you reach..

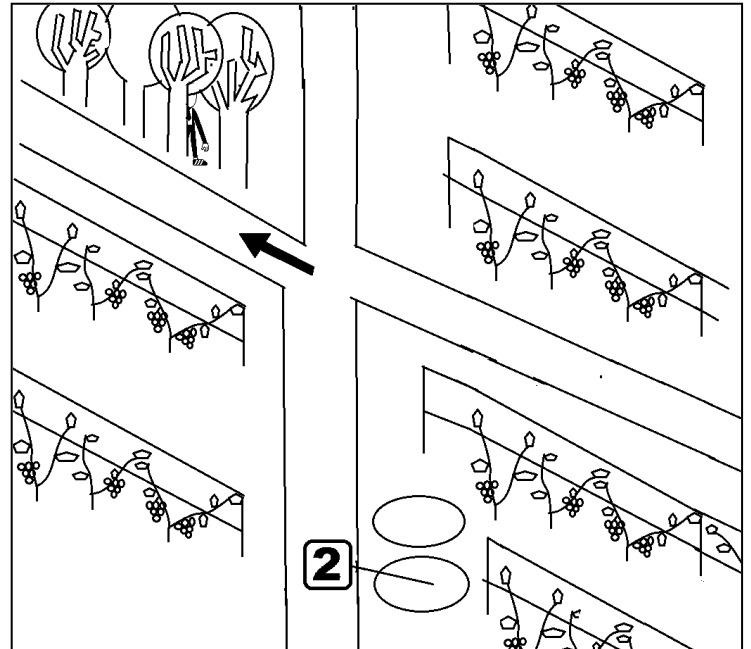

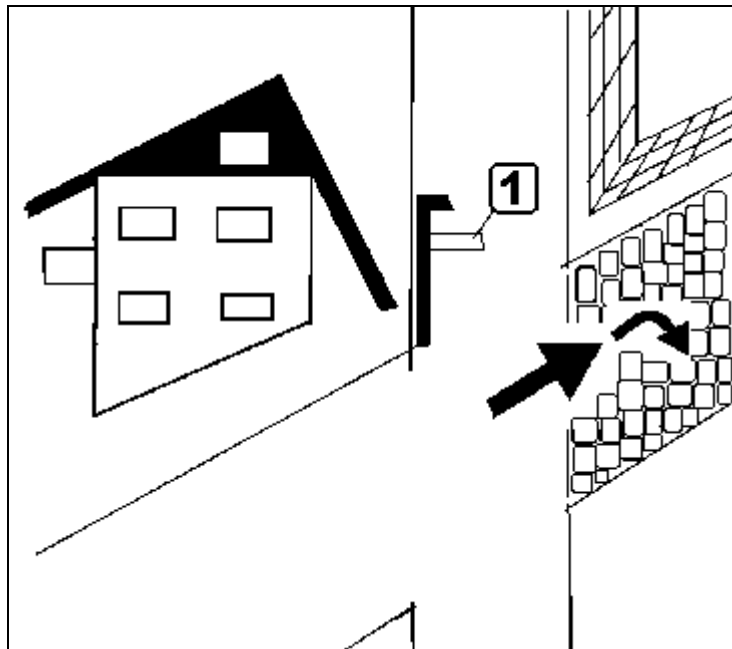

You have also collect terms you will need for solution words. The places, where you find these terms are shown as numbers in rectangles. These will give you notes which you need for the final part of the way.

Fill the terms into the places at the last page.

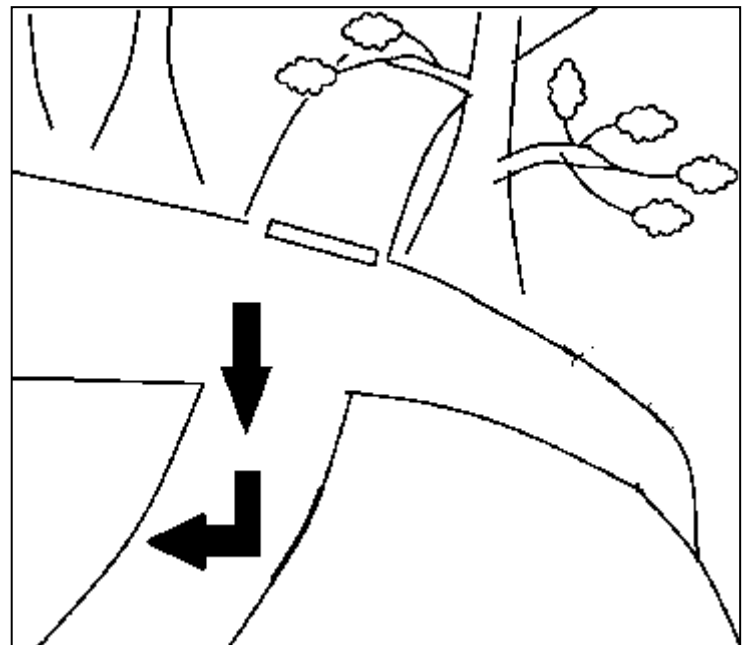

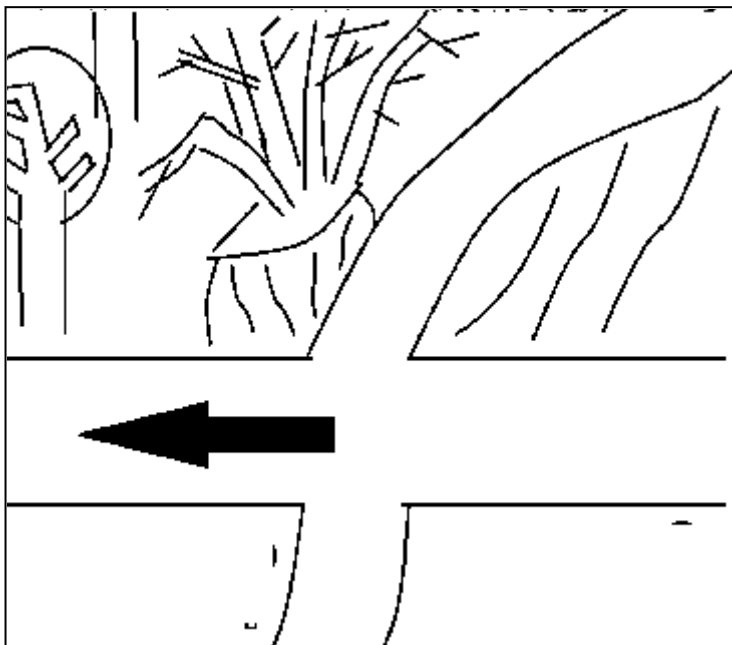

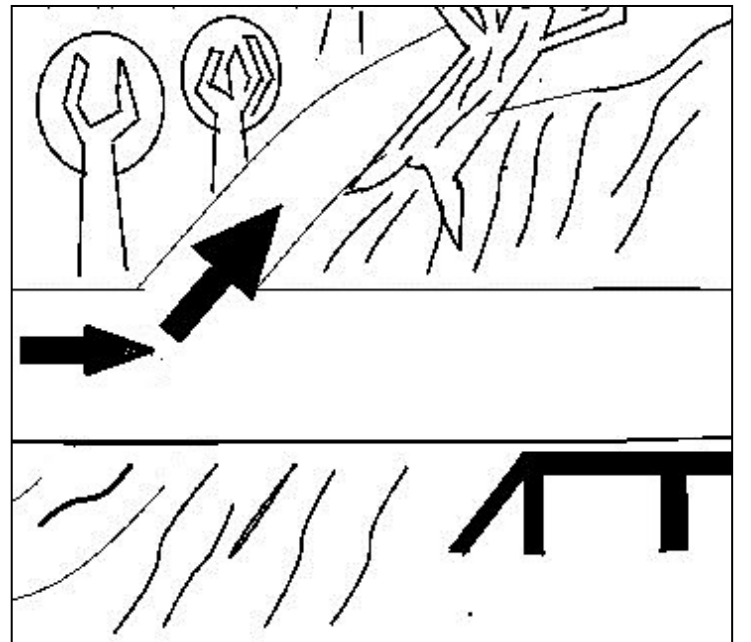

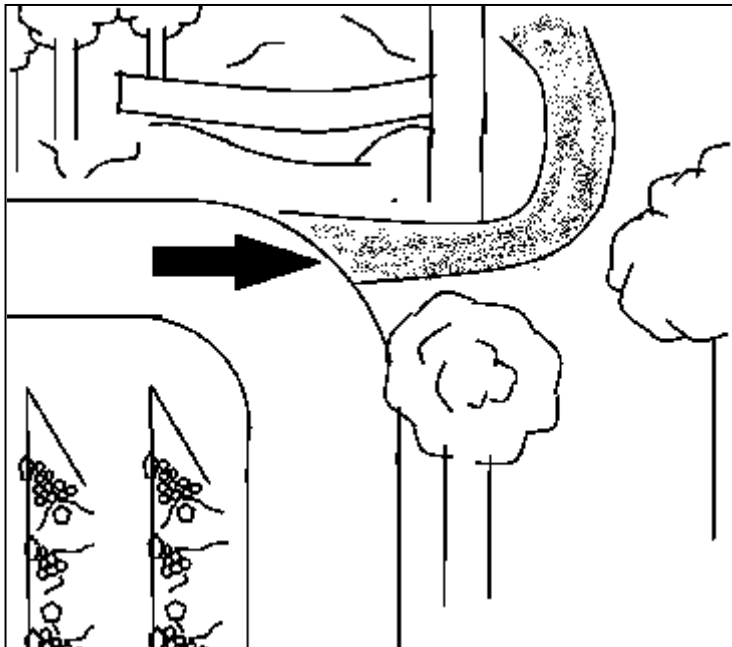

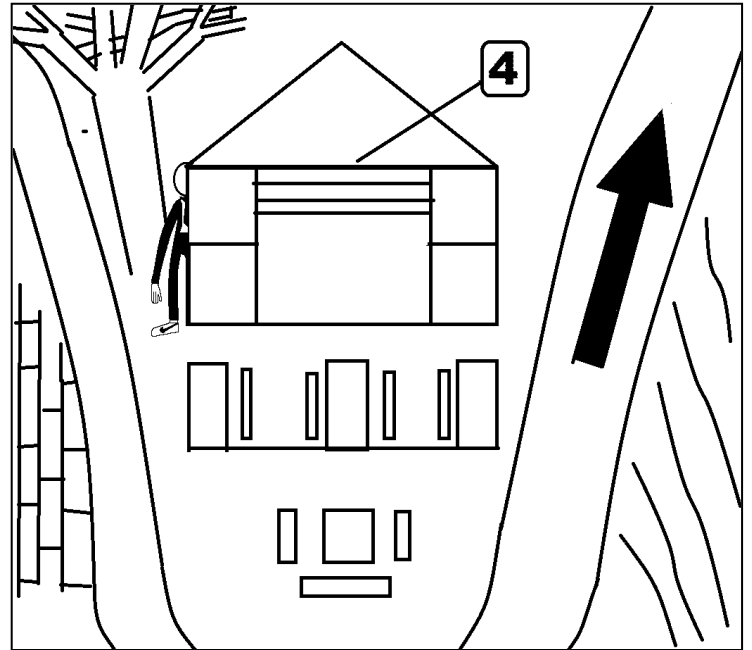

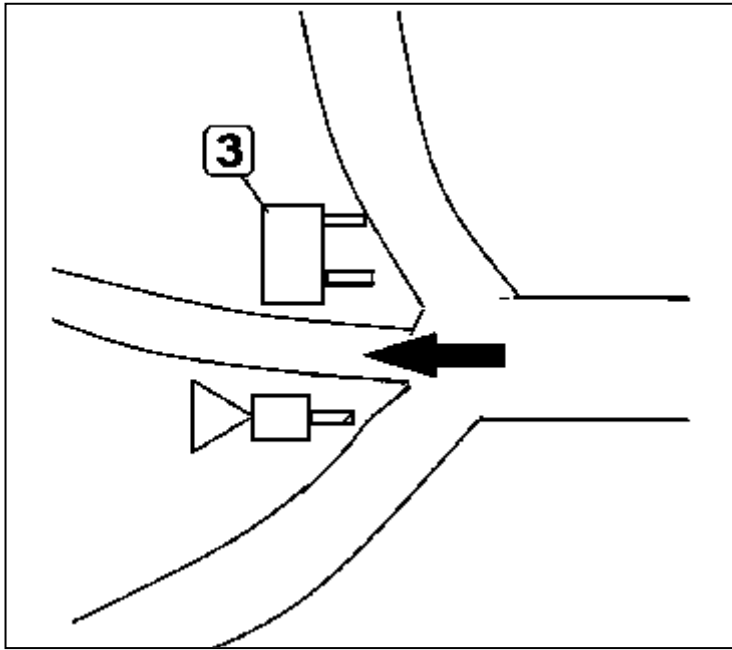

- Especially in the area of the quarry you should NOT leave the paths
- The barriers should not be surmounted
- This Tour should not be gone in the rain or with packed snow.
- Because of the terrain and possible hunting don't make this tour in the night.
- Take care of your children.

And now enjoy this tour

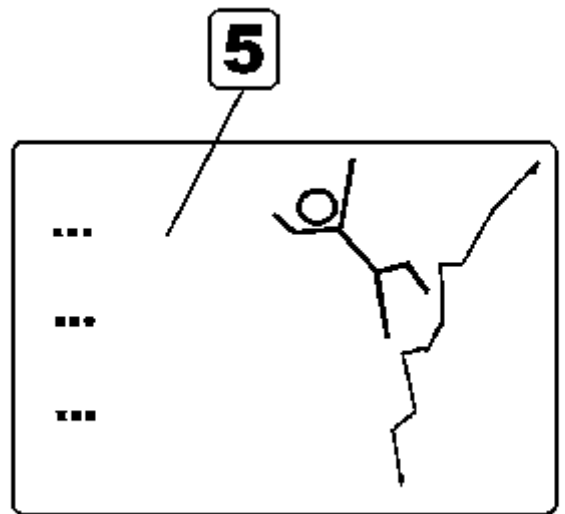

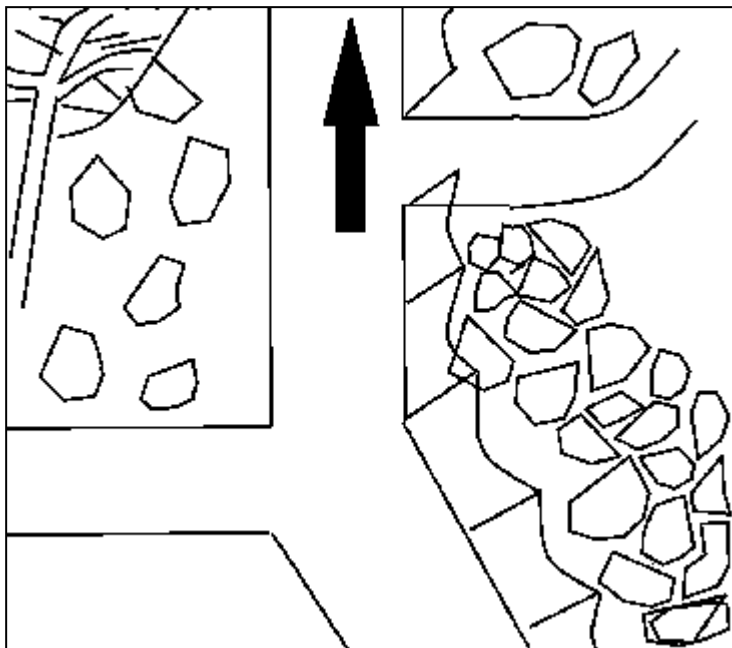

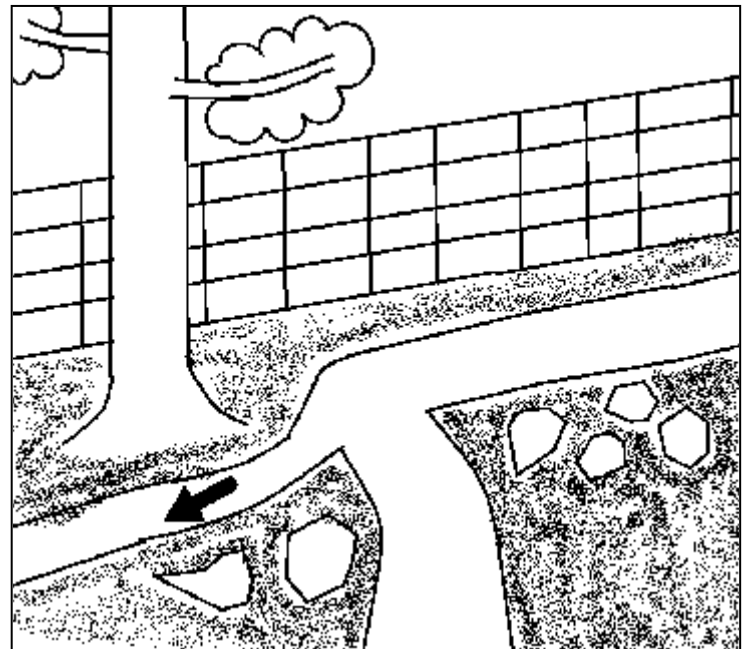

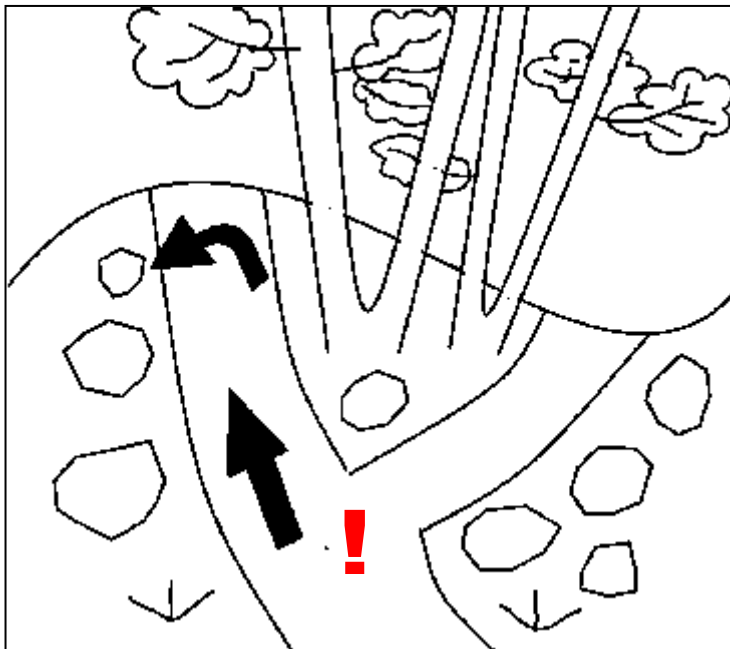

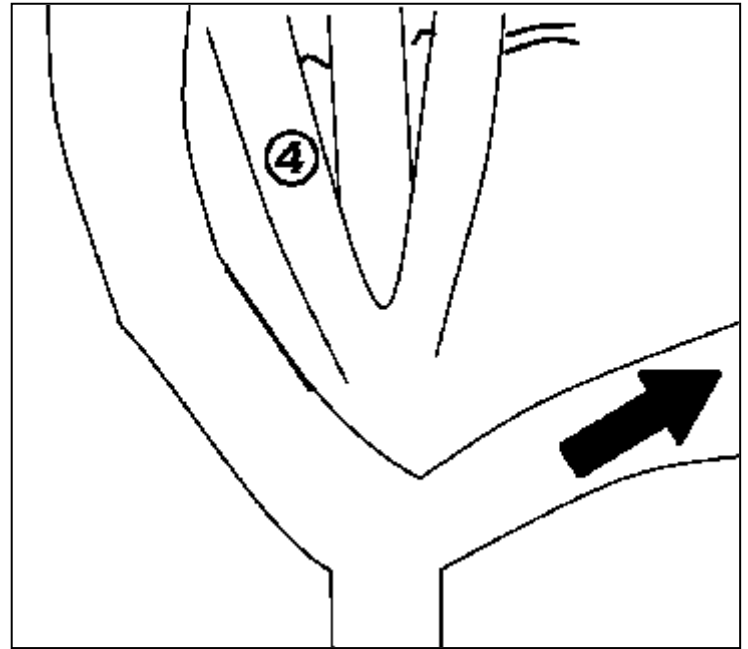

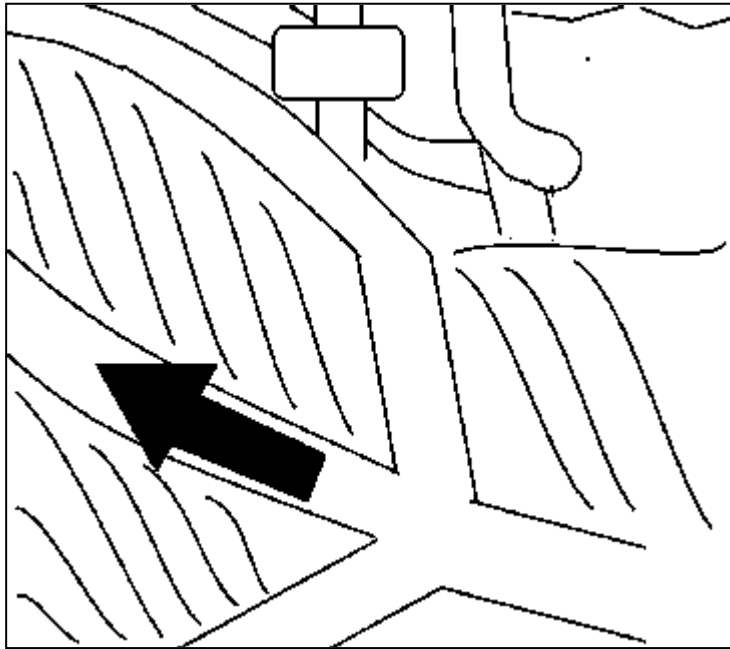

Attention: between station 1 and station 2 are also Info boards, where you get hints.

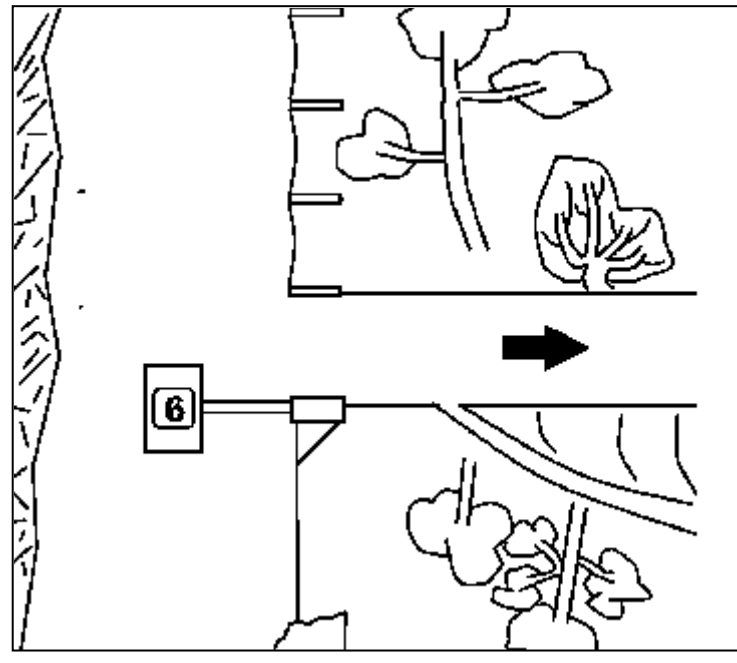

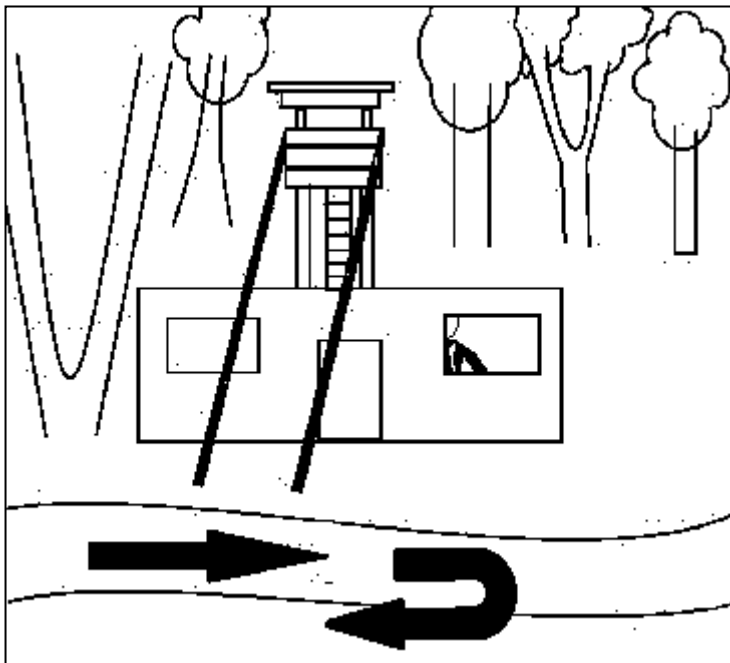

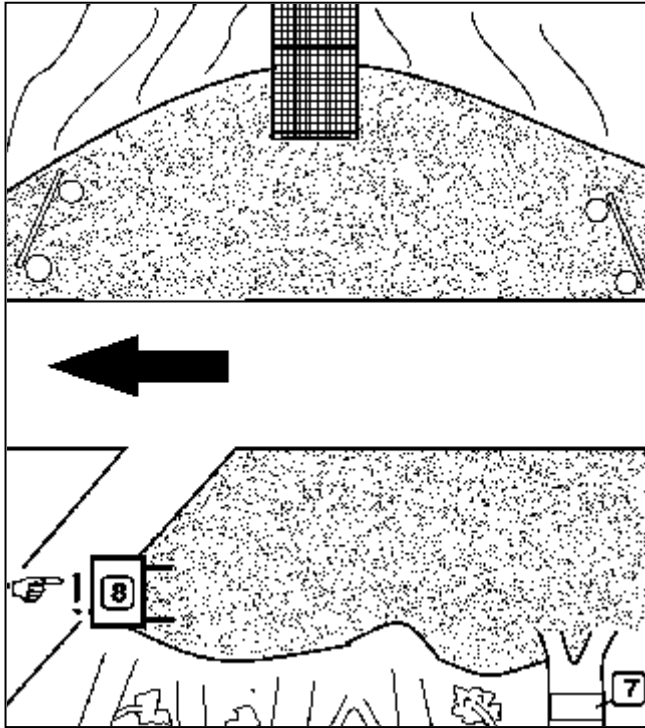

Here you can reach an extra stamp. Search at the wall near the tree.

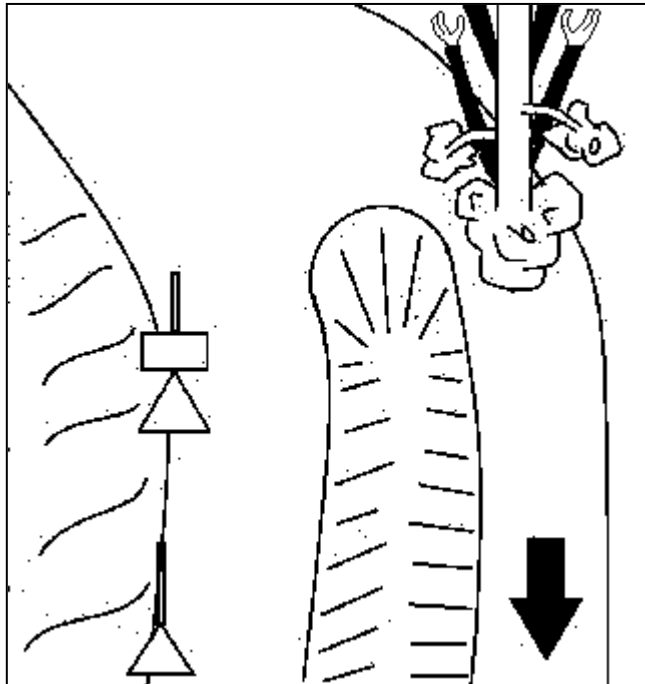

! When you stand, where the path is shared go $A \times B$ steps in $C - D + B^\circ$ to a boulder.
Look under it and you will now, what cities are near the Ölberg.

This is a Hint fort he Bonus.

Your secretly pursuer needs some money fort he Club and or disco at the week-end. Give him 20 \$ and he will leave you alone. He takes it at the upper sign. Look at the stones which are covered by ivy. Be careful because of muggles.

The place for 20 \$

Way back:

Go back to the main path and keep your previous direction. It will take some time, until you reach a place where you have already been. From there you have to go always in western direction. When you reach a big wooden bar, turn to south. Soon you will see the starting point.

Words you have to find (Ä= AE ; Ö=OE ; Ü=UE; ß = ss)
